Kurling Session

An evolution of the original sport of Curling, adapted so that it can be played indoors on any smooth, flat surface, like a sports hall. Like both Curling and Bowls in that the objective is to get your "Stones" as close as possible to the bull's eye, can be played standing or seated if preferred. The robust, rubber Kurling stones run on bearings making the game accessible to everyone. It's also great fun!. £3.70 per session
